

# fend-all Pure Flow 1000 Emergency Eyewash Station (FEN-1000)

## FUNCTION:

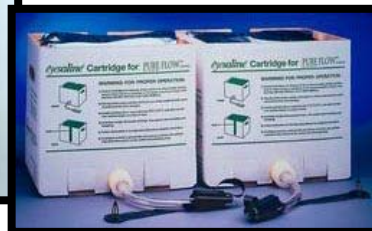

To provide emergency, self-contained eyewash station with a 0.4 gpm, 15 minute flowrate. SEI certified to meet ANSI Z-358.1-1998. Recommended for Flooded Battery Installations. Periodic fluid replacement required.

Pure Flow 1000 kit includes: (**Required** Eyesaline® Cartridges sold separately)

- 1 Eyewash station
- 1 Emergency sign
- 1 Mounting Bracket

## ADVANTAGES:

- Gravity-feed unit houses two Eyesaline® Cartridges.
- Expiration date printed on pull strap. "Service Immediately" warning appears after discharge.
- Safety-sealed Cartridges with 24-month shelf life can be replaced in 5 minutes or less.
- **NO** plumbing required. **NO** moving parts. **NO** weekly flushing.
- Patented design delivers flushing fluid at a constant flow rate and flushing stream height.
- Easy-to-read warning sign shows service requirements; saves maintenance and inspection time.
- Built-in reservoir captures waste fluid to minimize clean-up and allow for easy disposal.
- Integral cover keeps nozzles and basin clean.
- Optional **Universal Cart** available.

**\*\* FAILURE TO REPLACE THE FLUSHING SOLUTION WITHIN THE RECOMMENDED TIME CAN RESULT IN UNSAFE BACTERIAL LEVELS.\*\***
